ABOUT

Robert Jones is an author, a filmmaker and an entrepreneur. He uses his creative platform to speak out against issues critical to the African-American community.

Robert Jones is a native Cincinnati, born in the West End neighborhood, where he opened his first business, The Barbecue Hut. After a fiery explosion closed The Barbecue Hut, Jones closed his restaurant and dedicated his life to writing.

Jones' book, *A Pimp's Rap* was the first ever book of its kind. He also authored a children's book, *The Odd Cookie*, under his pen name "The Shadow".

Robert Jones wrote, produced, and starred in *Grandpa*, his first feature film. In the movie, he plays a cut-throat gangster who is a lovable and protective grandfather.

REVIEWS

The Pimp's Rap

"This book may have broken every rule of the game baby, but the game is to be sold not to be told. If I'm not mistaking, the book must be purchased to obtain it's information. This book is worth every penny spent, just surprised it was not being sold for more because this book is the truth! From 1st page to the last."

Church Pimps

"If you want to read a fantasy novel that's good. If you want to read a romantic novel that's good too. But-if you want the God's truth and nothing but the truth, then you'll read *CHURCH PIMPS*."
Billy B. (Source: Amazon)
