CONSULTING & MORE

Many of our clients need more individualized attention. As an Organizational Development Consultant, Nahamani Yisrael works one-on-one with small business owners, leaders of non-profit organizations and community leaders to create a customized strategic plan for long-term success.

Whether your business is looking to do a complete overhaul or simply reach a new target audience, Nahamani.org can offer you solutions that deliver measurable results.

STRATEGIC PARTNERSHIPS

In an effort to help streamline your business' marketing efforts, we have partnered with individuals and organizations that provide value added services. We've taken the time to fully vet our strategic partners so that you can focus on running the day-to-day operations of your business and rest assured that all of our recommendations will exceed your expectations. Ask us how these partnerships can help your business grow and thrive:

- **Ad Buying** - Television, Radio, Billboards & More!
- **Application Development** - Android and iOS
- **Back-End Coding** - C#, SQL, VB & More!
- **Credit Card Processing** - Real-time Payment Solutions
- **Website Hosting** - VPN, Email Hosting & More

PUBLIC RELATIONS

We offer strategic communication services to help businesses and non-profit organizations spread the word about their products and services. We work closely with media outlets to deliver your company's news and information about your upcoming events in a manner that their audiences can relate.

PUBLIC RELATIONS DELIVERABLES

- **Press Kit**
- **Press Release**
